To All Memorial Masons Working at Mount Hermon and Parc Hendy Cemeteries

Dear Memorial Mason,

British Register of Accredited Memorial Masons (BRAMM)

We are pleased to inform you that Llanrhidian Higher Community Council has joined the BRAMM registration scheme.

This will help us fulfil our duties in providing safe burial grounds for anyone visiting and working within them.

We now require all Memorial Masons wishing to fix or re-fix memorials in our burial grounds to be on the BRAMM register (or equivalent) and at least one BRAMM licensed fixer to be present whenever work is being carried out.

If you are not already a BRAMM registered business, please begin the process of registering now. We will allow a period of six months for Memorial Masons to complete their registration, that means after (insert date in 6 months) we will not allow any business, or fixer, to work in our burial grounds if they are not on the BRAMM register.

You can apply for BRAMM on their website Bramm-uk.org or by telephoning BRAMM on 01452 346741.

If you have other questions about the BRAMM Register, please do not hesitate to ring BRAMM on 01452 346741 or email Bramm@bramm-uk.org

Yours sincerely,

Jeremy Parkhouse
