## Auditor General's report and audit opinion

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2024 of Llanrhidian Higher Community Council. My audit has been conducted on behalf of the Auditor General for Wales and in accordance with the requirements of the Public Audit (Wales) Act 2004 (the 2004 Act) and guidance issued by the Auditor General for Wales.

### Audit opinion: Unqualified

Except for the matters reported below in my Basis for Qualification, on the basis of my audit, in my opinion no matters have come to my attention to give cause for concern that, in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislative and regulatory requirements have not been met;
- is not consistent with the Council's governance arrangements; and
- that the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

### Other matters and recommendations

I draw the Council's attention to the following matters and recommendations which do not affect my audit opinion but should be addressed by the Council:

### Explanation of variances

Each year, we send the Council an audit notice that specifies the information required for audit. This includes details of requirements for explaining variances between the current and prior years' accounts. Further guidance is set out in the Practitioners' Guide.

In this case, the explanations provided for several variances still resulted in a % difference of over 15%.

We recommend that the Council carefully reviews the audit notice and Practitioners' Guide to ensure that it provides the information required for audit.

### Inconsistency regarding the Fixed and long-term asset value between Accounts and Explanation of variances

The prior year total value of Fixed and long-term assets has been restated from £1,710,373 in the prior year accounts, to £1,709,569 in the current year accounts. No explanation has been provided for this restatement in asset value. The figure provided for prior year Fixed and long-term asset value in the accounts (£1,709,569) does not

\*Original is available for inspection

agree to the figure used in the explanation of variances (£1,709,372). No explanation has been provided for this difference.

We recommend the Council ensures consistency between the Annual Return and the other information provided for audit.

**Inconsistency regarding Trust funds between Annual Governance Statement and Internal Audit Report**

Under AGS 9. Trust funds, the Council have agreed that it has met all of its responsibilities where it is sole managing trustee of a local trust or trusts. This is inconsistent with the Internal Audit Report 11. Trust funds – the Council has met its responsibilities as a trustee. The internal auditor has recorded this as not applicable.

We recommend that the Council ensures consistency between the AGS and the IAR. There are no further matters I wish to draw to the Council's attention.
