

LLANRHIDIAN HIGHER COMMUNITY COUNCIL

DISABILITY EQUALITY POLICY STATEMENT

Equality and Fairness

The villages of Penclawdd, Crofty, Llanmorlais and Wernffrwd are becoming more diverse places and we welcome the richness and variety this development brings. It is important that all citizens get equal access to the Council and are treated fairly.

We will encourage everyone to participate in the decision-making process and will consider all representations made and viewpoints put forward in making decisions and acting on behalf of the community.

Code of Practice

Llanrhidian Higher Community Council acknowledges its responsibilities under the Disability Act 2005 and resolves that, in carrying out its duties, it shall have due regard to the need to promote disability equality in proportion to its relevance.
